APPLICATION RESULTS POLICY

Each application is screened based upon rental, credit, and criminal history as well as proper income and employment verification. After your online application has been screened, we will contact you with the results. Approved applicants will be required to pay a minimum \$350 security deposit within 24 hours to secure the desired rental unit. The results of the screening determine the amount of the Security Deposit. If an approved applicant fails to pay the security deposit within 24 hours, then the application will remain on file for 30 days and can be applied to any of our vacancies.

REASONS FOR INCREASED SECURITY DEPOSITS

Should an applicant meet any one (1) of the below stated reasons, the required Security Deposit will be equal to the monthly stated base rent.

- Monthly income \$100-\$500 below the required 2.5 times stated rent
- Less than six (6) months employment history or less than three (3) years tax returns if used for employment verification
- Negative rental history or rental history reflecting more than \$500 in settled damages
- Total past due debt between \$500-\$5,000 excluding medical and student debt
- Total past due debt greater than \$5,000 including medical and student debt
- One (1) discharged or non-suit eviction within the past three (3) years
- Bankruptcies discharged within the past five (5) years
- Lack of credit score or unverifiable credit history due to inactivity
- Unverifiable history due to the inability to run a background check (see below)

Unverifiable history due to inability to run a background check would require a Security Deposit equal to the monthly stated rent as well as the first and last month's rent to be paid before move-in.

Should a tenant pay off any debt in order to qualify, a letter from the company must be provided along with a verification phone call from the Property Coordinator. If the adverse debt paid off is related to previous rental history, a letter from the management company along with a completed Rental Verification History form are required in order to proceed.

In the event an applicant meets two (2) of the above stated reasons, then the Co-Signer policy will apply. Should three (3) or more reasons be met, then the Denial policy will apply.

COSIGNER POLICY

A Cosigner will be required if an applicant meets two of the above stated reasons for an increased Security Deposit. Cosigners must also fully meet screening criteria and submit a non-refundable \$45 screening fee along with all required documents. If a cosigner meets one or more of the criteria listed in the reasons for increased security deposits or reasons for denial sections, the application will be denied.

Current tenants may not co-sign for a prospective tenant. Additionally, previous tenants must be in good standing with SPM in order to co-sign for a prospective tenant.
